

Touch-Free Confidence for Every Environment

At phs, we understand that hand hygiene is the cornerstone of a safe and welcoming space. Our 1.2L Automatic Hand Sanitiser Dispensers offer effortless, touch-free protection—ideal for high-traffic areas where reliability and presentation matter. Designed to reduce the spread of germs while complementing your environment, our dispensers help maintain a hygienic, polished atmosphere that reflects care and professionalism.

H 260 mm | W 132 mm | D 125 mm

Key Features

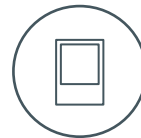

Automatic, Hands-Free Operation

Infrared sensor technology ensures hygienic, contactless dispensing, reducing cross-contamination.

Generous 1.2 Litre Capacity

Ideal for busy environments, minimising refill frequency.

Available in White

Sleek, neutral finish complements any interior.

Flexible Servicing

A range of alcohol-based gels, hospital-grade sanitising and alcohol-free products to suit your needs.
