

Smart, Stylish, and Sustainable Fragrance Delivery

At phs, we combine innovation with simplicity to deliver air care solutions that elevate every space. The Oxygen Viva is a sleek, intelligent air freshener that uses advanced oxygen-powered technology to provide consistent, high-quality fragrance. With a modern aesthetic and eco-conscious design, it is ideal for businesses that value both performance and presentation.

H 160 mm | W 70 mm | D 70 mm

Key Features

Intelligent Oxygen-Powered Delivery

The Oxygen Supreme delivers fragrances using patented fuel cell tech — no aerosols, no waste, just a clean fresh environment.

Consistent Fragrance

Steady scent delivery from start to finish; no peaks or drops.

Eco-Conscious and Safe

Aerosol-free, no VOCs, solvents, alcohols, or propellants; non-pressurised, 100% recyclable cartridges safe to store and transport.

Modern, Compact Design

Stylish, low-profile unit for washrooms, offices, and public spaces.

Smart Maintenance

LED indicators for cartridge and battery changes; 2 × AA batteries last up to 1 year.
