

Hygienic Handwashing Solutions for Every Washroom

phs provides premium soap dispensers and a wide selection of hand soaps designed to promote hygiene, prevent cross-contamination and deliver a superior washroom experience.

Soap Dispenser Features

Touch-Free Options

Sensor-activated for hands-free hygiene

Manual Options

Simple, reliable push dispensers for low traffic or budget-conscious facilities

Stylish and Functional Designs

White, black, or stainless steel to suit any décor

Flexible Installation

Wall-mounted or countertop options.

Our Soap Range

Antibacterial Foam

Eliminates 99.9% of germs for food and healthcare applications

Moisturising Liquid Fragranced Foam

Gentle, enriched with aloe vera and vitamin E with a light, refreshing scent

Eco-Friendly

Plant-based, biodegradable

Heavy-Duty Cleaner

For industrial and trade use.

All soaps are dermatologically tested and offered in cartridges or, preferably, bulk refills to cut waste and costs. Bulk use avoids plastic cartridges ending up in landfill. Our goal is to help reduce your carbon footprint.

Tailored Solutions for Every Facility

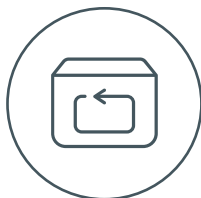

Whether you manage a University, a Hospital, a Restaurant, a Retail Shop or a Sports Venue, no facility is too large or too small. We offer dispensers and consumable packages tailored to suit your needs.

Our solutions include:

Scheduled refilling and servicing

DIY - save \$\$ by ordering consumables only and restock yourself

Offering a range of scents or fragrance-free options for sensitive skins.
